Lake Cullulleraine Walk - Sunday June 19

It may have been a bleak day for walking with grey skies above and damp underfoot but bushwalkers are an intrepid lot. Ten current and prospective Sunraysia Bushwalkers, (Russell, Barb, Jenny W, Tony, Dennis, Wally, Jenny R, Judy, Brenda and myself) circumnavigated Lake Cullulleraine on Sunday 19/6 and all enjoyed the exercise and camaraderie.

The walk of approximately 10 km was on a formed track although some feral four wheeled drivers had done their best to spread mud on the track in some areas. (Why do some drivers at the first sign of rain get in their SUVs and head for the bush?) We walked at a good pace and finished the walk in less than two hours. The walk offers some great views of the lake and the lake's facilities are excellent.

Over a welcome smoko we heard about Barb McDougall's plan to walk the full length of the Bibbulmun Track (Perth to Albany) - all 1000 km. Barb has been preparing and training well for this huge effort and SBW wish her all the very best. She is allowing herself 60 days to finish the trek and I am sure we are all looking forward to the pics and talk when she returns.
